Subject: Notice of File Closure and Release of Reclamation Surety, Ophir Limestone Quarry,
S/045/0067, Tooele County, Utah

Dear Mr. Hullinger:

On June 21, 2011, the Division of Oil, Gas and Mining received your request for a full release of the reclamation surety and file closure for the Ophir Limestone Quarry. An inspection was performed July 7, 2011, and the Division has received concurrence from the property owner that reclamation is adequate. The Division will now close and retire the file.

Enclosed with this letter is a check refunding the reclamation surety. Also enclosed is your original reclamation contract for your disposal or records.

Thank you for completing the reclamation work.

Sincerely,

Paul B. Baker
Minerals Program Manager
